

# *Quarter Midgets 101*

Are you a new driver or handler that wants to learn more about the sport of quarter midget racing or a seasoned driver or handler that needs that extra edge to fine tune the set up on your car? If you answered YES to any of these questions, THQMA has a great program tailored for all experience and skill levels.

The Terre Haute Quarter Midget club would like to invite you to our **Quarter Midget 101** classes. We have scheduled 3 separate classes prior to the start of the 2010 season, encompassing various setup basics. This is a great opportunity for young and old drivers and handlers, novice through veteran, to pick up helpful tips and tricks to making your racecar faster.

## **When:**

Saturday February 6, 2010 (*Basic tools, Tire Compounds, Stagger, Offset*)

Saturday February 27, 2010 (*Engine Tech and Gear Setups*)

Saturday April 3, 2010 (*Car Set up including springs and shocks*)

## **Where:**

VanGilder Racing Complex

11440 S Daniel Street

Terre Haute IN 47802

## **Time:**

9:00am - 1:00pm

Any THQMA member or prospective members that want to learn more about quarter midget racing.
