

Terre Haute Quarter Midget Association

We are currently looking for sponsors for our current racing season. We could use your help in providing trophies for approximately 35 drivers after every event. The Terre Haute Quarter Midget Association promotes approximately 75 local families with children ages 5 to 16 for a summer of outdoor opportunities. The kids are given opportunities to learn a number of skills that they use throughout their lives. Your help would ensure that each 1st, 2nd and 3rd place in every class would receive a trophy for their hard work. This is not only a local sport but there are clubs all over the United States. The club members may travel to other tracks to compete and other clubs may travel to our local track to compete. We would encourage our members and guests to frequent your local businesses. We could provide you with a schedule of our events in order for you, your family, or employees to attend and support your favorite drivers. Admissions to events is always free.

Individual Drivers have obtained their own sponsors which advertise on their cars, trailers or racing gear. If you find a favorite driver or would like to sponsor a driver, we would be happy to have one contact you.

We have 4 size packages that could be used to determine which would fit your budget. Gold, Silver and Bronze coincides with a 1st, 2nd and 3rd place finish or a one- time donation. All proceeds will go to the building of trophies and awards.

Please feel free to contact me with any questions. If you know a friend, a business, or anyone who would like to participate in any of our activities or be a local sponsor, please share the information and I would be happy to assist them in getting started in any of our programs.....
