

THQMA MEMBERSHIP MEETING 5/11/17

SECRETARY Minutes – Roger made motion to accept – 2nd by John shipman – approved
Treasurer - will approve May and June next meeting

Regional news –

National News – Dirt Grands – cancelled????

Novice Program – Shan Fagg – old cars will be used until it is determined that they can move to the new cars. 4 shocks need seals and 1 exhaust – otherwise they are ready other than a few minor things.

Temporary Track – Denny Meneely – Out houses are here – problem with the bus –

Race schedule – May need to make changes as needed. There are some black out days that means no races and practice at that time – Practice anytime but need to be gone by 8pm due to no lights and safety. May 27th is the first time to practice as long as the safety walls are up. Possibly talk about putting kill switches on the novice cars. If we don't do this we need to restrict the gas with throttle stops to keep them at a slow speed until safety walls are installed. Look into long term storage for the soft walls. Minimum 5 races to get end of year award - ???
Arrive and drive

New Facility – 2nd part - build contract to be signed within the next week. They have been comparing bids and choosing the best fit. 100% profit to club.

Website Steve Richardson is working on the website to make improvements.

Qma is developing a new website – will be moving to paperless and scan able cards.

Equipment servicing – thanks to skip and mick for doing the service on the track equipment.

Rc Car Club - possibility of using part of our property that we don't plan to use. Will not affect our 5031c status.

If we can get at least 10 that need race receivers we can place another order and get the same discount.

Need to take the fence from the old track.

Recall on Simpson helmets Snell sa 2015 voyager 2 helmet

Good to the order – trustees – Jr VanGilder and Denny Meneely for helping to construct the temp track. Also all members that have helped with getting everything together.

John made motion to adjourn Urbain 2nd

If anyone comes across playground equipment please let Gregg Dillion know
